

HR SLIM&FIT Fat Burner for Men and Women je dodatak prehrani za one koji žele izgubiti višak tjelesne težine. Radi na principu sinergije različitih sastojaka s dokazanim iznimnim rezultatima uklanjanja neželjenih masti: *Gymnema sylvestre* - biljka koja dolazi iz daleke Indije, a njeno ime doslovno znači „uništavač šećera“. Najčešće se koristi za regulaciju razine šećera kod dijabetičara i u rješavanju pretilosti. Korištenjem ove biljke smanjuje se potreba za slatkim, te se sniženjem razine triglicerida u krvi pomaže u prevenciji kardiovaskularnih bolesti. Krom - jedan od 9 esencijalnih mikro minerala koji djeluje na razinu glukoze u krvi. Visoko kvalitetni ekstrakt zelenog čaja - znatno potpomaže gubljenje neželjene težine, ubrzava metabolizam i optimalno izgara masti. L-karnitin - izgara masti te povećava izdržljivost u treningu i svakodnevnim obavezama. Alergeni: Proizvod može sadržavati soju, laktuzu i jaja u tragovima. Pohraniti: Na hladnom i tamnom mjestu, u zatvorenom pakiranju.

Sastojci/Ingredients: *Gymnema sylvestre* extract, green tea extract, guarana extract (10% caffeine), caffeine anhydrous, carnitine, chromium, gelatin, silicon dioxide, titanium dioxide.

EN SLIM&FIT Fat Burner for Men and Women is the supplement marking a new era of fat-burners. It works on the principle of the synergy of the substances with the most effective fat-burning effect: *Gymnema sylvestre* is an herb which is native to India, and whose name means "destroyer of sugar." This herb is most commonly used for the treatment of conditions related to sugar imbalances, such as diabetes, obesity, and other similar health concerns. Another great dietary benefit associated with *gymnema sylvestre* is decrease in sugar cravings and by lowering your blood triglycerides it can help in the treatment and prevention of cardiovascular disease, heart attacks, and strokes. Chromium is one of the nine essential micro-minerals or trace elements. High quality green tea extract, which stimulates fat burning. L-carnitine is not just responsible for transferring the fatty acids into mitochondria to be used as energy, it also increases endurance. Allergens: Product may contain traces of soy, lactose or eggs. Storage: Cool, dark and well closed.
